Points at a National Show can be substituted for the Spring Dairy Expo or State Fair points, but the exhibitor must have exhibited at the show in order to substitute for that particular show. No points from any shows can be substituted for your district points. Dry cows will be shown but only District show points will be counted towards All-Ohio. No dry cow points from shows can be substituted for any milking cow classes.

- 5) An exhibitor must show one or more animals at a District Show to have any animals eligible for All-Ohio. Animals can be shown in only one class in any show.
- 6) **To be eligible for All-Ohio honors, exhibitor must be a member of the Ohio Holstein Association as of April 1, of the current year.** An animal whose ownership is transferred outside of the state during the course of the show season can

still compete for All-Ohio Under previous ownership but must meet this condition and all other rules listed. Eligible points follow the animal for calculation.

- 7) In the case of multiple partners at least one owner must be an Ohio Holstein member and show at a District show.
- 8) No All-Ohio points will be given at the Spring Dairy Expo for Spring Heifer calves.
- 9) A professional 5 x 7 photograph must be on file with the Ohio Holstein Association for an animal to be considered for All-Ohio honors. All photos of heifers must be current year photos. If you have taken a photo of a two-year-old cow, this photo can be used for the Junior Two-Year-Old, Senior Two-Year-Old, and Junior Three-Year-Old, and Senior Three-Year-Old cows. If you have the photo taken as a three-year-old, then this photo can be used for the Junior Three-Year-Old, Senior Three-Year-Old and Four-Year-Old photo. If taken as a five-year-old, this photo can be used for the Five-Year-Old, Aged and 125,000 Pound Cow. For group classes, pictures are accepted, but not required.

Example: If you exhibited "Bessie" at Spring Dairy Expo and she was first place and received 20 points and then received 10 points at a district show, but was not shown at the Ohio State Fair, and if Bessie's owner exhibited at the Ohio State Fair and then took Bessie to Harrisburg where she stood fifth, those 12 points could be substituted for the Ohio State Fair. But if "Bessie" did not go to the Spring Dairy Expo or the Ohio State Fair, she is not eligible for All-Ohio.

Type Production Awards - The Ohio Purebred Dairy Cattle Association will present a banner to the high-producing cow in each breed. This award will be based upon the combined total for protein and fat yields of the last actual completed record of the individual, adjusted to a 305 day, 2X age corrected basis. The record must be coded as test type 00 through 3 (formerly official DHI or official DHIR), and the record will be taken from the DRPC individual cow report furnished by the owner of the animal. To qualify, the animal must place in the top five places of her respective class at the current State Fair. The record must have been completed within 12 months prior to the date of the show to be considered.

Bred and Owned - An award will be given to the top-placing animal bred and owned by exhibitor in each class. These animals will then be considered for Champion bred and owned by exhibitor.
