More Than Just Wet Brewers Grain

You've come to rely on CSC as a supplier of wet brewer's grains for your dairy herd since 1996, but did you know that CSC can also source and/or provide freight services for your other feed commodities as well?

**Soy Hulls
Soymeal
Citrus Pulp
Hominy
Corn Gluten Feed
Wet Distillers
Wheat Midds
Dry Distillers
Mech Ext SBOM**

CSC's fleet of end dump semi-trailers are now complimented with the addition of belted trailers, for where height restrictions previously prevented deliveries of other feed commodities.
